

## AQUATIC LIFTS

# GALLATIN WATER POWERED LIFT

The Gallatin water powered assisted access lift is designed to accommodate both in-ground pools and spas without customization. The Gallatin pool and spa lift requires no more than 12" of total depth (deck to floor/bench) for proper installation. The standard unit will accommodate anchor locations of 18" to 30" from the pool wall.

### FEATURES:

- ADA/ABA Compliant and Title 24: California Code of Regulations
- 400 pound lifting capacity
- Passivated stainless steel – no dissimilar metals
