

How to Get the Proper Replacement Seat for a Lifeguard Stand

Determine what type of lifeguard chair you currently have. Does it fold? Does it have padding? If you need a replacement seat, follow these easy steps to order from our online webstore. You can also call Spectrum Aquatics to speak with one of our sales representatives to order one over the phone or to inquire about switching to a Spectrum Aquatics lifeguard stand.

NOTE: If the chair you currently have is a fold-down model or a padded seat model, you will only need to order a Replacement Seat. If the one you have is not a fold-down model, you will need to order the Replacement Seat and the Adapter Plate.

Ordering a Replacement Seat

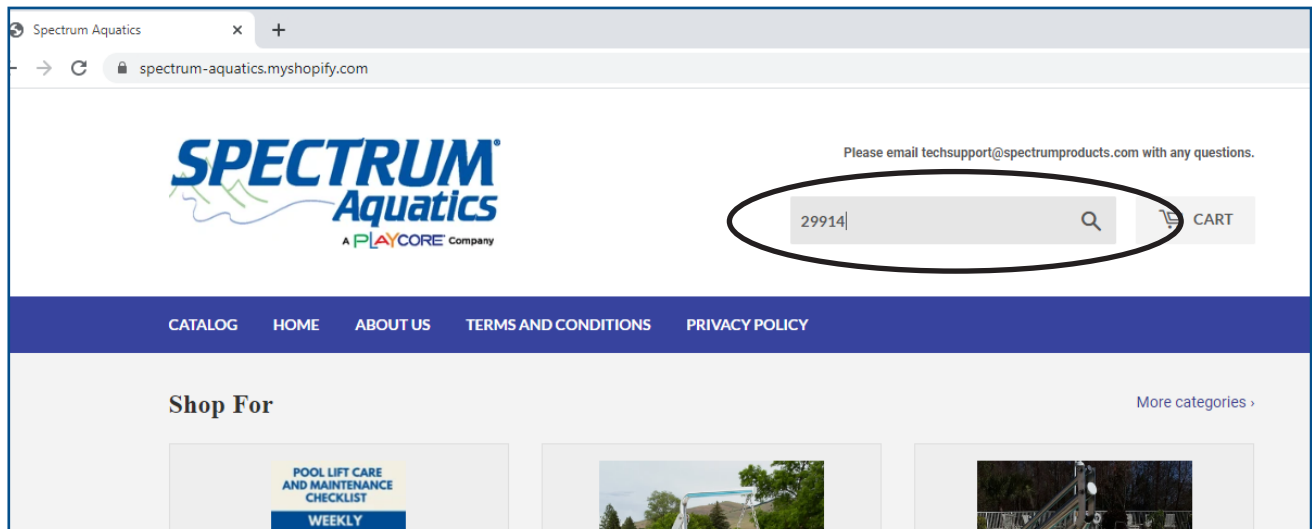

1

Type www.spectrumproducts.com into your browser. Just below our logo there's a blue task bar where the 'WEBSTORE' link is located. Click on 'WEBSTORE'.

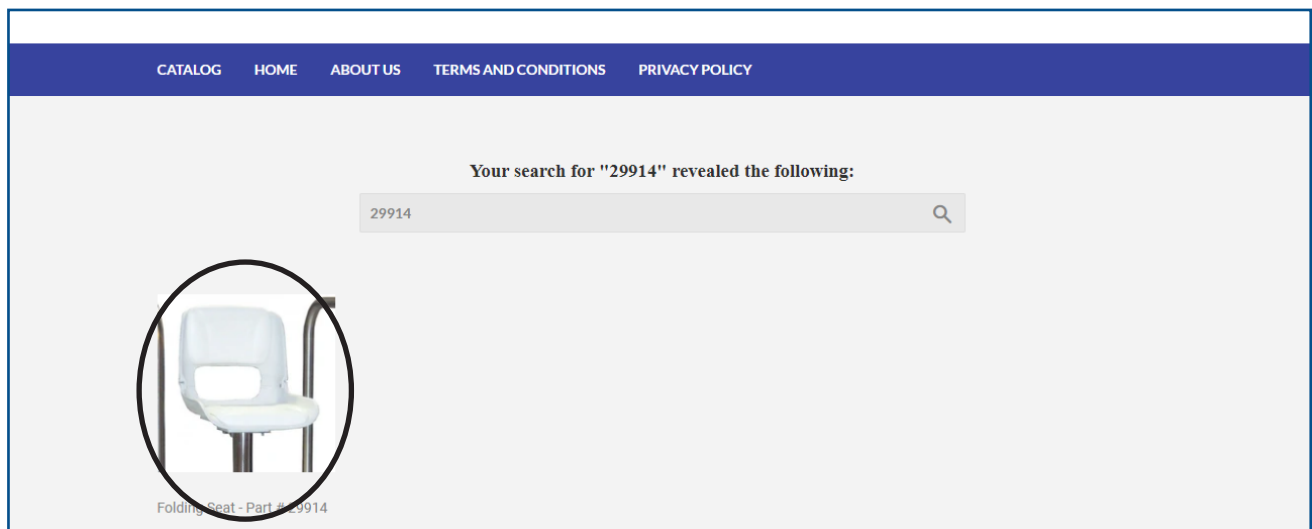

2

Once in the webstore, just to the right of our logo is a search bar. Type in the product number: 29914 or type in "Lifeguard Replacement Seat".

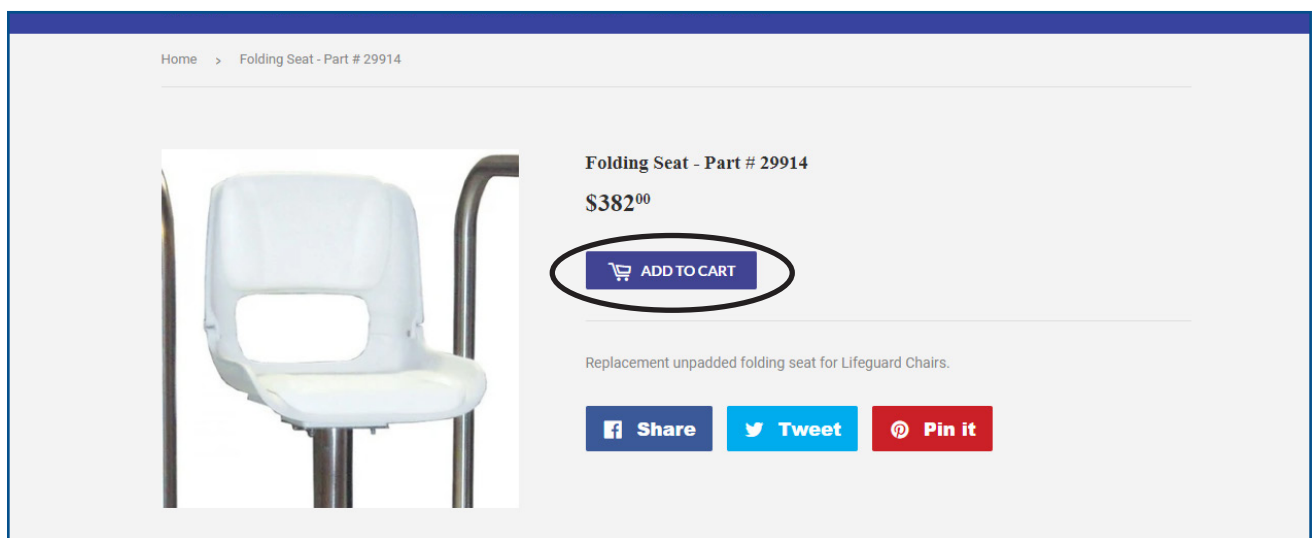

3

Click on the picture of the replacement seat to see more details or to proceed with checkout.

4

Click 'ADD TO CART' blue button to purchase and continue to checkout. If you don't want to purchase this item, click the back arrow on your browser to keep shopping.

Ordering the Adapter Plate

NOTE: If you already have the lifeguard chair in your online cart, please skip to Step 2.

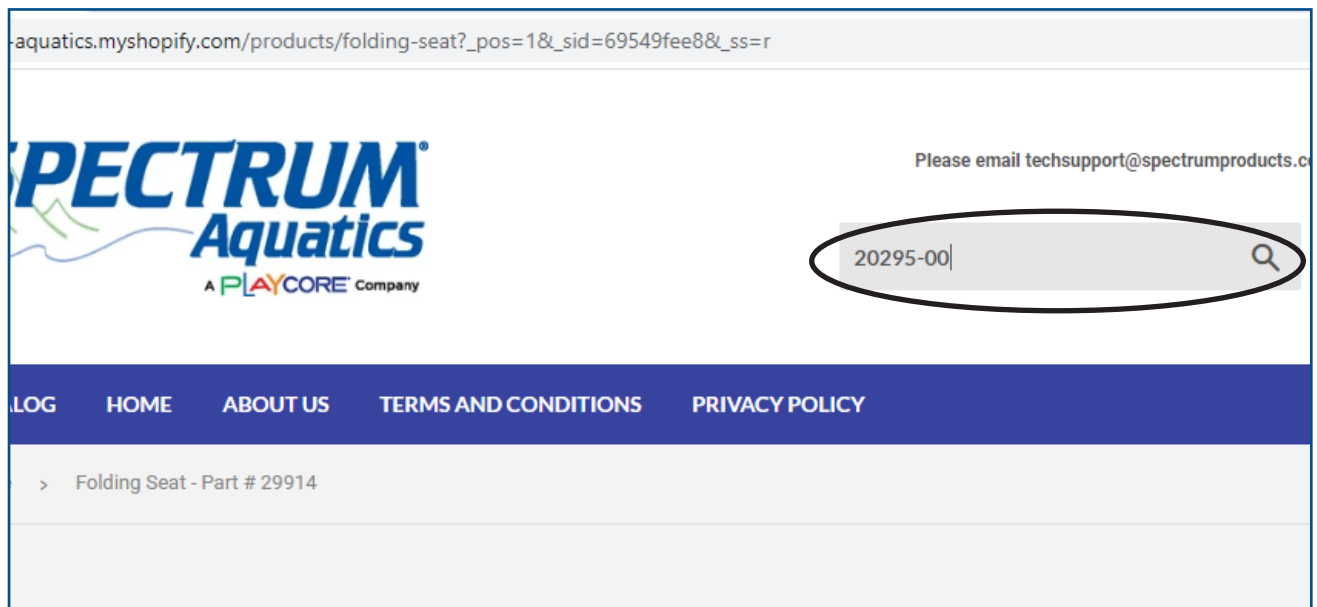

1

Type www.spectrumproducts.com into your browser. Just below our logo there's a blue task bar where the 'WEBSTORE' link is located. Click on 'WEBSTORE'.

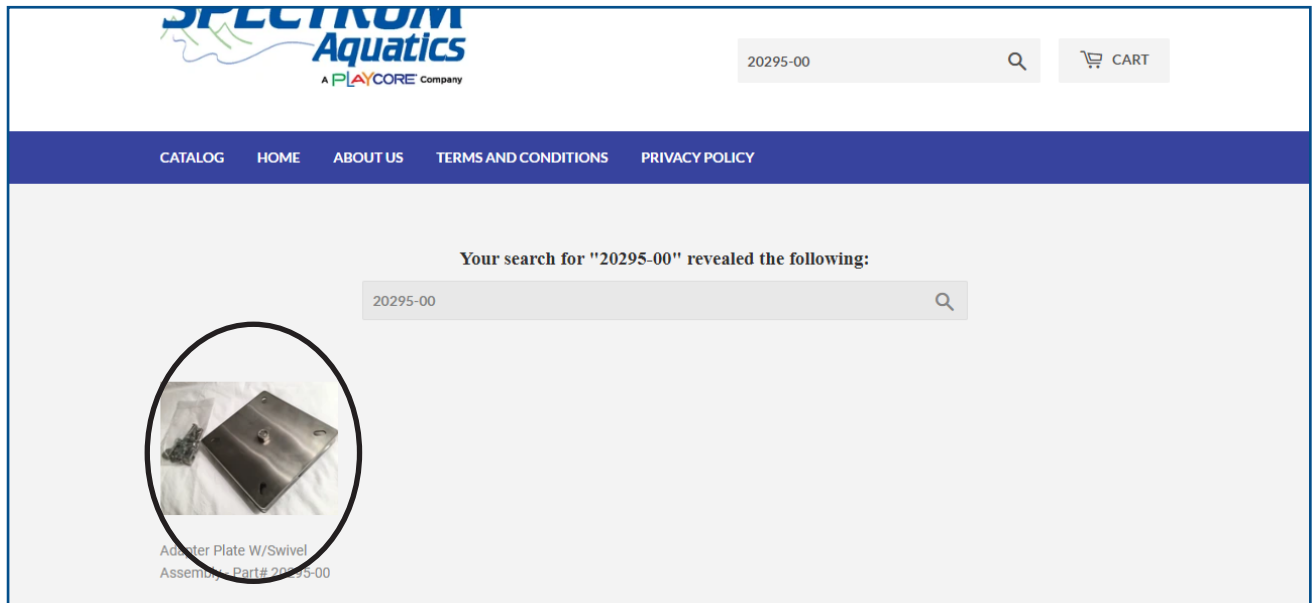

2

Once in the webstore, just to the right of our logo is a search bar. Type in the product number: 20295-00 or type in "Adapter Plate with Swivel".

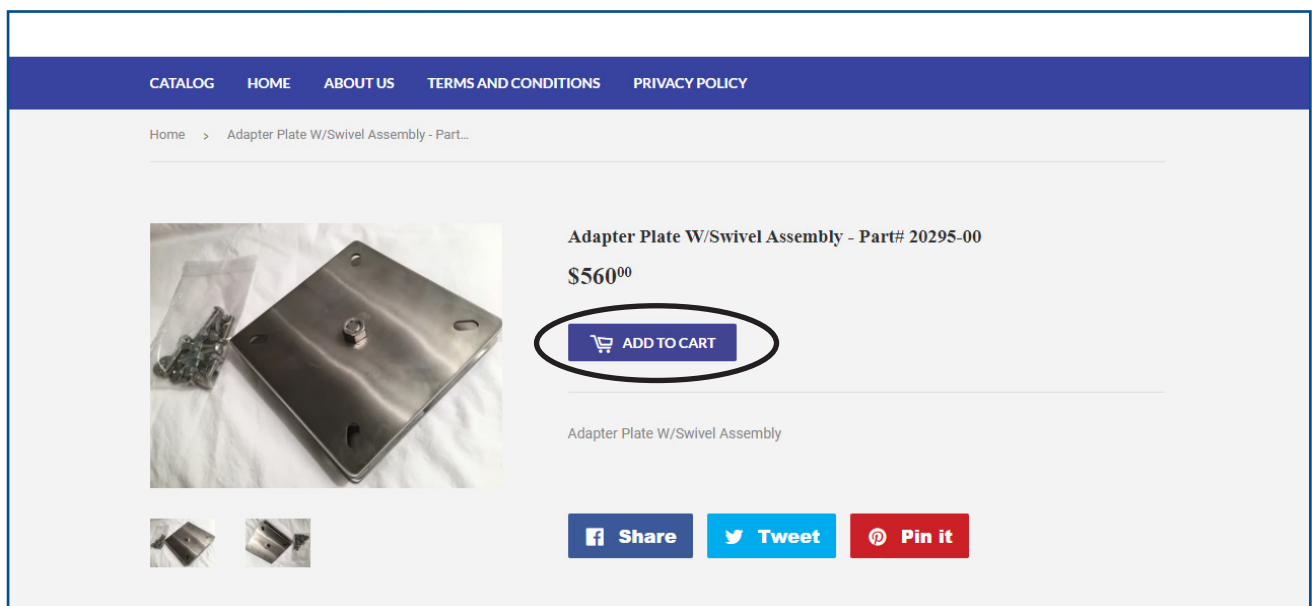

3

Click on the picture of the adapter plate to see more details or to proceed with checkout.

4

Click 'ADD TO CART' blue button to purchase and continue to checkout. If you don't want to purchase this item, click the back arrow on your browser to keep shopping.
